

**CITY OF LA HABRA  
MEMBER OF THE CITY COUNCIL**

**ROSE ESPINOZA**

**OCCUPATION:** Mayor of La Habra/Volunteer Executive Director of Rosie's Garage

Four years ago I ran for City Council because I believed La Habra residents deserved a local government that worked as hard as they do. Furthermore, I promised you if I was elected I would: Repeal the User Utility Tax, fight crime, beautify/improve parks, and improve communication between residents and City Hall.

Today, I am proud to say I have kept every one of these promises.

Having served you, my neighbor, by working to make our community the best it can be has been a great honor. I thank you for the opportunity.

La Habra's progress can be seen in the development of: Westridge Shopping Center, Commercial Facade Program on La Habra Boulevard, and improvements to La Bonita and Loma Norte Park.

Continued progress will require experienced community based leadership that respects our past and yet is committed to ensuring La Habra reaches it's full potential.

Most importantly, as your Councilmember, I will fight to make sure La Habra's progress is always measured by the health and well-being of our children, Seniors and families. After all, what makes La Habra special is La Habrans.

Please vote Rose Espinoza for La Habra City Council.
